

# Vietnam War Memorial Garden

## Honor Brick Program - Application

(One per veteran – per brick)

Department of Veterans Affairs Medical Center  
Portland Oregon - Vancouver Division  
1601 E Fourth Plain Blvd  
Vancouver, Washington 98661

Located on the Vancouver Campus, the Vietnam War Memorial Garden honors all Vietnam Era Veterans from the United States and notably the Pacific Northwest Region who served across all the military branches during the Vietnam War.

The Garden creates a symbolic journey from the Pacific Northwest to Southeast Asia and back home. Visitors follow a path that winds through the garden and includes an honor plaza that contains a reflective dish.

Support the Vietnam War Memorial Garden, and add to the generous contribution of Gustave and Lore Baak. For a donation of \$50 (tax deductible), a brick engraved with the name of a Vietnam Era Veteran will be installed in the Honor Plaza.
