

VBMA Work Party's 12-13 February at Tim Shotwell's Place

Gosh, I didn't know I could help on VBMA Projects!

YES you can. On Friday 12 February (Drop in 9 to 3) and Saturday 13 February (Drop in 9 to 3), Tim Shotwell will be hosting the Model T Ambulance Project and the WWII Photo Project.

On the above dates we will be working on these projects. If you have ever run a wood lathe (or we will show you how) you are needed. Skill is not essential as we will be using a duplicator attachment to make new wheel spokes for the Model T.

In the shop building office, the WWII photo negatives will be scanned and saved as a digital image.

Tim's shop is located at 3615 NE 102nd St., Vancouver, WA 98686. Tim's phone is 360 356-6970
